THE SENIOR CLASS

ODEBOLT-ARTHUR
COMMUNITY SCHOOL

Odebolt, Iowa

FOREWORD

This has been a year unlike any other for the student body of the Odebolt-Arthur Community School. We have adjusted to wading through mud, finding the doorway barred by construction work, and detouring around the building to get in or out. Frequently we have been spared a recitation period because of a pneumatic drill which threatened to come through the floor—but never did. We have learned to live with noises, vibrations, dust covering everything, and such minor inconveniences. All of them, however, have been overshadowed by the pleasure we have had in watching a dream come true.

Every accomplishment was first a dream, an idea, or a goal. The architect must first envision his building before he draws his plans and blueprints. The mason follows a plan in laying his brick and tile to make an acceptable part of the completed structure. As we seniors of 1958 approach our high school graduation, we realize that we, too, are architects, for our lives must have a definite plan if we are to make them worthwhile.

It has been an experience to live through the planning stage of our school reorganization and our greatly enlarged building. As we go forward to build our dreams, our ideals, and our goals, may we profit from the truths so graphically presented, and shape our lives to conform to a master plan.

HOMECOMING

October found the Student Council making ready for Homecoming and the students eager to participate in its activities. At the close of school on October 4 the band set the pace for the royal party and the student body to parade from the school to the business section for a spirited pep meeting

The crowning ceremonies accompanied by the Odebolt Marching Band started the evening's festivities. Superintendent Ogden opened the sealed envelope containing the names of the fortunate young couple. Dean Johnson and Sandra Higby reigned as King and Queen with their royal princesses—Diane Bengford, Travis Lamons, Marilyn Lange, and Janette Youngren; and the royal princes—Dennis Bengford, Ralph Cowlham, Ronald Hogue and Richard Thayer

The crowns were carried on satin pillows by kindergarten attendants Susan Watts and Steven Sundell

The Trojans made the evening more successful by defeating Correctionville 19 to 0

A dance in the gymnasium was sponsored by the alumni. Following the grand march led by the King and Queen, everyone enjoyed an evening of dancing—a perfect climax to a perfect 1957 Homecoming

SYNOPSIS

Dad is a terrific efficiency expert, and it's his firm conviction that what works in the factory will work in the home. Despite his high-school age daughters' interest in boys and dates, Dad pushes ahead with better organization for his large and delightful family. While this provides humor and fast-paced action, there's an important meaning and imperative reason for it all. Dad has a heart condition which he's keeping a secret from the family. That's why he's doing his best to make his family efficient and get them as far along through school as possible. The three older girls don't understand why Dad regards their interest in dates as a waste of time; nor does Dad understand high school girls. When Dad is about to leave for Europe, he becomes aware of how much Anne has grown up. At the same time, Anne realizes the truth about Dad. Their understanding then becomes complete.

BOARD OF EDUCATION

This Board of Education, together with Robert Dannenberg who resigned when he moved out of the district in January, 1958, has been charged with the responsibility of an extensive building program. They have traveled many miles to examine buildings and equipment in use elsewhere, and they have spent countless hours deliberating about our local situation. The school district is greatly indebted to them for their unselfish community service.

ONE-ACT PLAY

Ladies of the Map is a play in rhyme and rhythm. Annie, a faded, fluttery woman has not lost her dream of the stage. Mattie, a sober, unimaginative soul with a toneless voice dreams of being a concert pianist. Hallie, loud, robust, full of energy, will take dancing. Bessie, dignified and the sole admirer of her own voice, could have been "singing at the Met." Annie proposes that they entertain themselves while they eat their midnight snack and rest from their scrubbing the stage. This is their opportunity to live their dreams of performing. So Mattie, Janette Youngren, plays a piano number. Bessie, Nancy Currie, sings. Annie, Sandra Higby, gives a melodramatic reading, and Hallie, Bonnie Roasch, does a ballet. Following a disagreement all four perform simultaneously until the factory whistle breaks their spell and reminds them of their unfinished work. Though they've never been famous nor had the glory they've dreamed of, they're proud to be *Ladies of the Mopping Line*.

The School Chronicle Staff wishes to thank Miss Bruce and the Odebolt Chronicle for helping to make the school paper a success

Last May, the shorthand class chose Peg Sonichsen to be editor of the school paper for the year 1957-58. It was her duty to write the editorials and keep a scrapbook of school activities. LaVon Belstene was responsible for writing a feature each week. Genevieve Raasch, senior or high news. Beverly Paulson, junior or high news. Diane Bengtford and Jolene Kropf, kindergarten through fifth grades. Arlene Nielsen, Arthur news. Alice Godbersen, Boyer news and the hot lunch menu.

Each Monday, stenography class is spent preparing the copy for that week's edition. It has been a valuable experience for the girls, and the staff hopes the School Chronicle readers have enjoyed each issue.

FUTURE FARMERS OF AMERICA

The Odebolt Chapter of the Future Farmers of America under the Presidency of Richard Thayer included 37 members in the 1957-58 school year. Other officers were Vice President Dennis Bengford, Secretary Duane Buehler, Treasurer Darrell Buehler, Reporter Bill Stock and Sentinel Darrell Herrig.

Activities in the Chapter during the year included assignment of purebred Duroc gilts to Bill Carlson and Floyd Renze, and crossbred Landrace and Chester White gilts to Don Hoefling and Bill Ogren. From these assignments the Chapter expects seven gilts in return to be assigned to other members or sold.

Six members including Duane Buehler, Roger Siebrecht, Bill Carlson, Bob Mitchell, and Arlen Luitjens, accompanied by Mr. Miller, attended the National FFA Convention in Kansas City, Missouri on October 15, 16, and 17, 1957. Highlights of the convention included addresses by former President of the United States Harry S. Truman, United States Senator Edward J. Thye of Minnesota, Ambassador Erik Boheman of Sweden, Assistant Secretary Edward Foss Wilson of the Department of Health, Education and Welfare, and Governor Cecil Underwood of West Virginia; presentation of American Farmer Degrees and

Star Farmer Awards, music by the National FFA Band and Chorus and the US Air Force WAF Band; a special professional musical program sponsored by the Firestone Rubber Company; and tours of industry of Kansas City.

On April 25 and 26, 1958, delegates Roger Thayer and Roger Siebrecht, guests Roger Carlberg and Steve Cranston, and Mr. Miller attended the State FFA Convention in Sioux City. Highlights included presentation of Iowa Farmer Degrees, election of state officers, music by the State FFA Band and Chorus, and addresses by Governor Herschel Loveless and Mrs. Van Ousterhout of the State Board of Education.

Selling Trojan Booster stickers and aerosol bombs provided a financial gain as well as a learning experience. Total sales expected to amount to \$100.

Approximately 60 seed samples were tested for germination for farmers of the community as well as Chapter members.

The soils judging team consisting of Don Hoefling, Roger Buehler, Floyd Renze and Ronald Rolfe participated in the annual local and Cannon Counties FFA soils judging contest held southeast of Wall Lake. Four sites were judged and the team received a red ribbon.

*Maple Valley Conference Games

The 1957 football season was an abbreviated one because of the flu epidemic which swept the state and the local community. The Sac City, Ida Grove, and Holstein games were cancelled. Coach Isaak's athletes managed to chalk up a 1-5 win-loss record.

On August 24, a disappointing number of only 25 boys reported for practice, realizing that they would have their work cut out for them. Most of their opponents were favorites in their respective conferences, while the Trojans were below par with only four lettermen returning.

The first game was played at Wall Lake in a rain storm. After holding Wall Lake scoreless the first quarter, the boys could not continue to hold off the Comets and eventually dropped the contest, 35 to 0. The Trojans were not able to get their new single wing offense moving which hindered their chances of winning.

One week later the Trojans encountered another opponent and another rain storm at Kingsley. Again, both teams were held scoreless the first quarter, but Kingsley finally got their offense moving and pounded out a 32 to 0 victory.

At Menville the boys seemed to be throttled by a good Menville team until the last quarter. Finally, a spark was ignited in the Trojan's offensive machine and the locals scored 20 points in the fourth quarter after trailing 40 to 0. Though beaten 46 to 20, the Odebolt gridders finally crossed the goal line which gave them added enthusiasm.

The next game was played at the new athletic field in Odebolt on Homecoming. The Trojans tasted victory for the first time by shutting out Correctionville, 19 to 0.

The Trojans again appeared on their new home field for their next game, however, a fine Onawa aggregation made it known immediately that they had little intention of allowing Odebolt to even come close to defeating them. From the first to the last minute our gridders had little opportunity to get into the game. The final score ended in another shutout, 39 to 0.

Traveling to Manilla for what proved to be the last game of the season, the Trojans found themselves outclassed again and were on the short end of the score, 41 to 6. The Odebolt team punched across a touchdown the first quarter.

Although the Trojans were definitely outclassed and outmanned in most games, 21 boys played eight or more quarters which should give some of the younger players a good chance to do better next year. Fourteen boys received their letters. Seven of these will be back next year to try to improve their win-loss record for 1958.

Ron Hogue and Bob Taphorn were elected the most valuable players for the 1957 season.

BASKETBALL

The Odean forwards have their eyes on the ball.

The Tri-onette forwards are in the air to shoot the ball.

Back Row (Left to Right): Shirley Buehler (Manager), Judy Sonksen, Nancy Anderson, Sandra Long, Ruth Scholes, Patty Sonichsen, Diane Lundblad, Linda Olson, Irene Wallace, Barbara Anderson, Beverly Long, Miss Hunter, Mr. Buum. **Middle Row:** Sandra Neville, JaNell Iversen, Yvonne Lange, Betty Hanson, Lois Thies, Judy Wallace, Sharon Olberding, Rochelle Grove, Sandra Kessler, Marilyn Lange, Bonnie Raasch, Audrey Meeves. **Front Row:** Margaret Johnson, Joan Frey.

GIRLS' BASKETBALL—1957-58

Considering the fact that we had so many young, inexperienced girls we had a pretty good season. This year's best record was a 13-10 record. The Trojanettes placed fourth in the county tournament. Going to Lake View in the sectional tournament. Lytton defeated the Trojanettes in the first round of the sectional tournament 55-40.

The Trojanettes had an offensive average of only 45.3 points per game. Defensively their average was 52.2 points per game. Audrey Meeves was high scorer for the season with 577 points. She averaged 28.8 points per game and scored well over half of the team's points during the entire season.

On the varsity squad we had four seniors, two junior, nine sophomores and five freshmen. We didn't have a definite starting line-up as the girls were striving consistently to earn a position.

The freshmen and sophomore girls played eight scheduled games and lost only two. Hixson was the conqueror both times while the girls won the other six from Newell, Battle Creek twice, Lake View, twice, Mopleton. Joan Frey was high scorer for the season with 94 points. She averaged 13.4 points per game.

With prospects of a strong freshmen and sophomore group of girls moving up next season we are looking forward to a good season. We will have more height on both ends of the court to provide for better rebounding. With the added experience they received this season, the Trojanettes can anticipate a more impressive record next year.

1957-1958 BOYS' BASKETBALL SEASON

After a dismal start losing the first seven of nine ballgames, the boys began to work as a unit and showed steady improvement the rest of the season. They finished with a 8 win and 14 loss record.

Since we were the senior of the team and the other games were open to the future is bright if some of our Sophomores and Freshmen keep progressing as they have.

The team this year finished third in the County Tournament and first in the Mayville Conference.

The team's offensive average was 49.5 and the defensive average was 55.3.

Our Freshmen and Sophomore Squad this year played some of the best basketball in the history of Mr. Isaak. With a little extra work on their own and game experience they could be a valuable asset in next year's plan.

TRACK SEASON — 1958

Trojans Win Maple Valley Conference Championship First Time In Eight Years

The Trojans completed one of the most successful track seasons in recent years by winning the Maple Valley Conference Championship. They defeated the overwhelming favorite, Menville, by two points, to take the championship for the first time in eight years.

The season was a great credit to the fellows on the squad. Although we had only twenty-eight boys out for track, they were conscientious workers with a very good attitude. Prospects for next season should be bright with only three seniors, Arlen Luitjens, Richard Thayer, and Darrell Herrig, being lost through graduation.

Our performances in the field events should be considerably improved next season with our power being concentrated in the middle distances.

There were some outstanding individuals and performances throughout the season. The Trojans scored most of their points from the following fellows: Arlen Luitjens in the dashes

and relays; Richard Thayer in the hurdles and relays, Darrell Herrig in the relays; John Bauer in the relays, Richard Lange and Bob Miller in the middle distances; Bob Rex, Bill Stock, and Roger Peters in the middle distances and relays; and Dennis Thevenot in the relays.

Two records were broken this season, the most spectacular one being in the medley relay. Bill Stock, Darrell Herrig, Arlen Luitjens, and Bob Rex ran the medley in a very good time of 3:48.2.

Bill Stock set a record in the football throw with a distance of 187' 2½".

Other outstanding performances of the season were

Richard Lange—2:08.6 half mile; 54.7 quarter mile. This is the first season Richard has been out for track.

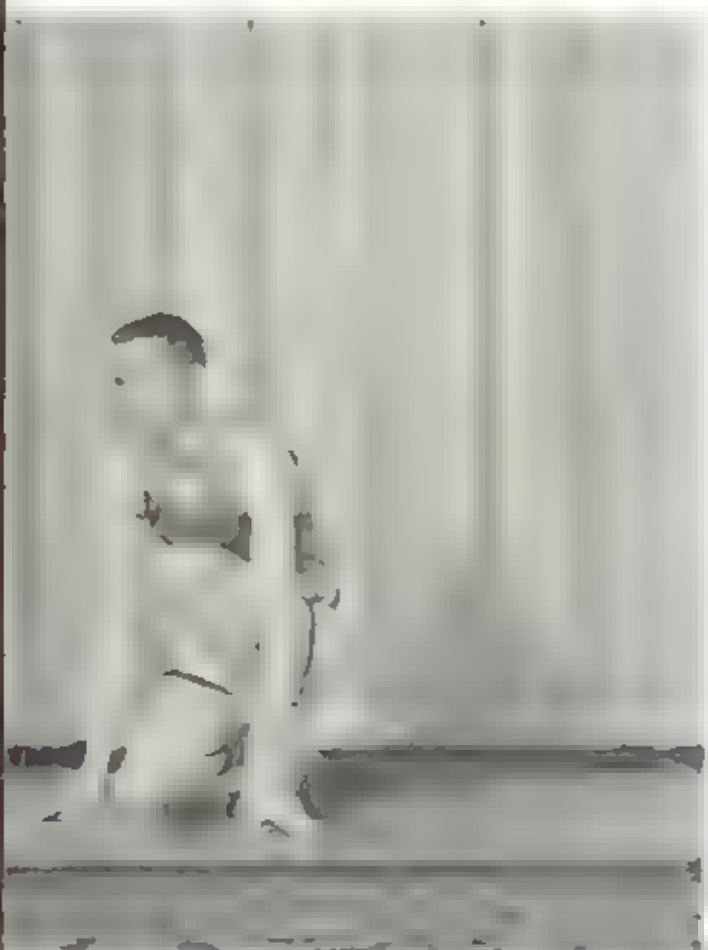

Roger Peters—56.6 quarter mile. Best time ever recorded for a freshman in Odebolt.
Bob Miller—4:57.1 mile

Bob Rex—Anchored the medley relay and mile relay. His best time in the half mile was 2:06.2

Bill Stock—His first year out for track and field was very good. He ran the 440 yard leg of the medley in 1:54 and also ran in the mile relay. He high jumped 5'5" and threw the shot 110' and the javelin 147' 2".

Arlen Luitjens—Ran the 100 yd. dash in 10.7. Anchored the 440 and 880 relay and ran a 2:00 leg on the medley.

880 Relay—Donna Herring, Rich Thayer, Arlen Luitjens, Thevenot, Arlen Luitjens. Their best time was a respectable 1:38.2 for the 880, and the same four fellows ran the 440 relay in a good time of 47.1.

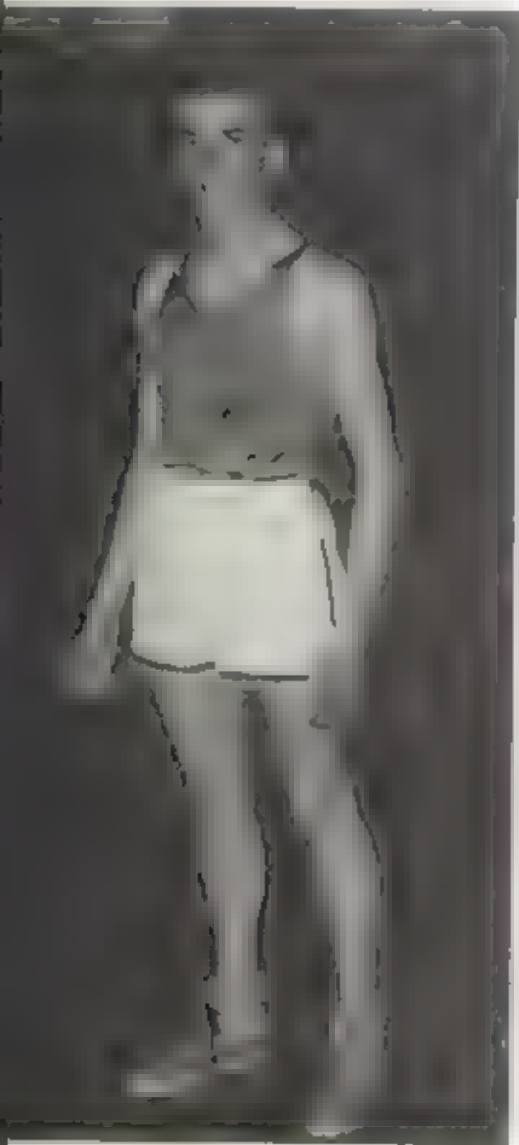

Richard Thayer—Ran a very good time of 16.2 in the high hurdles and 21.2 in the low hurdles. He also ran on the 880 and 440 relays.

Medley Relay—The team that won the state championship at the track meet. From left to right: [names obscured] 44.

Richard Lange—His first year out for track and field. He won the 100 yard dash in 15.6 seconds and the 440 yard dash in 1:07.

Richard Thayer—winning the high jump.

Richard Thayer winning the 100 yard dash. He won the 100 yard dash in 15.6 seconds and the 440 yard dash in 1:07.

ACKNOWLEDGMENT

Producing a yearbook of quality is a big job. It begins, like every worthy project, with the question "Where do we start?" But our yearbook adviser got us on our way. It was with her time, endless patience, and constant guidance that our yearbook took shape. Our special thanks to Miss Bruce

What would the book be with just letters on its pages! This is where Mr. Kermit Buntrock entered our picture—or shall we say "our pictures." He packed up his lights, action, and cameras; traveled to OAHS; and "shot" our individual and group pictures. His efforts put our layout committee into action.

Our attractive title pages were printed by Mrs. Erwin Krahenbuhl. We are grateful for her work which adds definite distinction to our production.

So often the teachers excused their classes for pictures and special events. The students were willing to help with their snaps and participation in the extra curricular activities which have a big place in our book. Many thanks for their cooperation.

The hard-working staff proved themselves invaluable. At the same time we all learned that cooperation is the key to the success of such a project.

At last we had things organized. Now the Odebolt Chronicle did its part in putting things together from the rough copy to the binding. This was a long awaited grand finale.

Through the combined efforts of all these indispensable people and the generosity of the Odebolt and Arthur businessmen, we have completed our '58 yearbook. Our sincere thanks to everyone.
